

# Do you want to...

...have fun with your friends and make new ones,  
do something about climate change  
**and** save money?

**With the cold winter behind us, why not start spring by joining EcoTeams, a community initiative for the environment, led by you.**

Join the 30,000 people already signed up and you can:

- save £170 a year and 1 tonne of carbon
- make friends with your neighbours and community
- find out which 100 actions make the biggest difference for your home and the environment
- receive personal feedback on the difference you've made

Come to our **free event** in Birmingham to get started.

Register at [www.ecoteams.org.uk/events](http://www.ecoteams.org.uk/events) but get there fast!

All our events are really popular and it's first come, first served.
