We are a thriving Christian congregation with a modern building well-used by local organisations and private hirers.

Due to increased bookings, we now need a caretaker to help clean and maintain the building, welcome hirers and lock up the building after functions.

You will have physical stamina, excellent practical and communication skills, and a flexible approach to hours and duties. You will be willing to undergo an Enhanced CRB check and to support the values of the church.

We are committed to safeguarding children and vulnerable adults.
